

Application No.: 10/662,815
Art Unit: 2835

Amendment under 37 C.F.R. §1.312
Attorney Docket No.: 031184

REMARKS

Claim 6 has been amended to insert the word "compressing" instead of the word "connecting" as amended in the Examiner's amendment in the Notice of Allowability. It is submitted that the word "compressing" is a more appropriate term. This term is fully supported in the specification, page 13, lines 12, 13: "...to compress LGA socket 120 of the package board 110 against the printed circuit board 200". No new matter has been added. It is respectfully requested that the above amendment be entered.

Claims 1, 2, 4-12 and 17-20 have been allowed in this application.

As indicated above, this is an Amendment after Notice of Allowance under 37 C.F.R. 1.312 and MPEP §714.16.

If this paper is not timely filed, Applicants respectfully petition for an appropriate extension of time. The fees for such an extension or any other fees that may be due with respect to this paper may be charged to Deposit Account No. 50-2866.

Respectfully submitted,

WESTERMAN, HATTORI, DANIELS & ADRIAN, LLP
